Reference:-

The Board invites the attention of the Government to Government Order MS No.1638 Rev dated 29/7/46 wherein the Government accorded sanction for the employment for a period of one year from the date of employment of one Assistant Inspector III grade on Rs.125/- per mensem and 3 peons on Rs.12-17/- each per mensem for work connected with the supervision of Operations in the Distillery at Hospet. The actual cost of the staff together with leave & Pensionary contribution is to be recovered from the India Sugars and Refineries, Ltd., in advance every month and credited to Government.

2) The India Sugars & Refineries, Ltd., Hospet now request sanction for the employment of 3 additional peons for live guard duty at their distillery during nights as they want the distillation at the distillery to be continuous for 24 hours and also require the wash room to be kept open throughout the day and night. The distillers have agreed to pay the charge connected with these additional guards. The Assistant Commissioner for Distilleries recommends the request of the distillers. The Board therefore requests that the Government may be pleased to accord sanction for the employment of 3 additional peons on Rs.12-17 each per mensem for a period of one year from the date of employment for live guard duty at the Hospet distillery. The actual cost of this additional staff together with leave and pensionary contribution will be recovered from the India Sugars and Refineries Ltd., in advance every month and credited to Government along with the cost of the staff sanctioned in Government Order Ms.No. 1638 Rev dated 29/7/46.

As the distillers have requested that the additional guards may be posted immediately, the Board is issuing orders for the posting of the three additional peons referred to above in anticipation of Government sanction. The Board requests that its action may be approved by the Government.
